TOILET INFORMATION: Toilets must be certified by the EPA as WaterSense High Efficiency Toilets in order to qualify for the rebate. Look for the WaterSense label (see graphic at left). A list of certified toilets can be found at <http://epa.gov/watersense/products/index.html> or call 764-3660.

New Toilet Brand/Model: _____ Purchase Price: _____
Purchase Date: _____ Installation Date: _____ Flush Volume of Old Toilet (or Year Built): _____

Rebate Type:

- _____ **HET Retrofit rebate:** 50% of the cost of a new Water Sense toilet and any parts sold with the toilet (bolts, seat, wax ring, etc.) replacing an existing high-volume toilet (over 3 gallons per flush), up to \$100 per toilet.
- _____ **HET Upgrade rebate:** 25% of the cost of a new Water Sense toilet and any parts sold with the toilet (bolts, seat, wax ring, etc.) installed in new construction, up to \$50 per toilet.

Please read the guidelines below and sign indicating your agreement at the bottom:

- Rebates are available to College Station Utilities single-family residential water customers with an account in good standing.
- Rebates are offered on a first come/first serve basis and are subject to availability of funds. The rebate may be terminated at any time, without notice, by College Station Utilities.
- Submitting a Rebate Application in no way obligates the City of College Station or College Station Utilities to pay a rebate.
- College Station Utilities is not responsible for the condition of the plumbing on customer's side of the meter, now or in the future.
- Rebated toilets must be new Water-Sense labeled toilets and be installed in the City of College Station water service area for use at such location.
- Rebate amounts are based on the price of the toilet and associated parts **before tax**. The rebate does not cover the cost of additional warranties or additional repairs related to removal or installation of toilet(s).
- A dated and itemized receipt, together with this rebate application form, must be submitted to College Station Water Services within 90 days of purchase.
- Applicant is responsible for disposing of old high flush toilet(s) in a manner to prevent further reuse.
- Prior to issuance of a rebate check, a representative from the City of College Station may conduct a site inspection to verify toilet installation. The toilet must be installed and functional at the time of the inspection.
- Limit one toilet per bathroom, two toilets total per account, for the lifetime of a residence.
- Qualifying products are selected based solely on water efficiency. The City of College Station does not endorse specific brands, products, or dealers; nor does it guarantee materials, workmanship, performance or durability of rebated products.

I have read and understand the Toilet Replacement Program Guidelines and limitations.
